APPLICATION FOR STALL FOR WOOLFEST 2012 (22/23 June 2012)

CONTINUED

Demo Stalls

At Woolfest 2011 we offered a limited number of stands with extra space and a seating area for stallholders to run demonstrations for visitors (at least four 30 minute sessions during the Woolfest event). They proved very popular with visitors. The demo stalls are chosen to give the best mix of information and skills sharing to enhance the visitor experience. If you would like to apply to run a demo-stall at Woolfest 2012, please complete the following application:

Number of chairs required: (chairs are provided free of charge)

Number of tables required for demo area: (Size: 6ft x 2ft) (tables are provided free of charge)

Any special requirements?

When will your demo run? <i>(please state if your demo will be continuous or a scheduled, timed event)</i>				Who will give the demo?	What will be demonstrated? <i>Continue on a separate sheet if necessary</i>
Start Time	Friday 22 June	Saturday 23 June	Length of demo (mins)	Name of demonstrator	Demo title and brief content outline

NB: The stall section will be paid at normal stall rates, but the additional demonstration/seating area will be free.

Applications will be judged on previous stall presentation (if applicable), quality of goods offered, originality and how applicants comply with the ethos of the show. We will acknowledge receipt of your application by e-mail (please supply a SAE if you prefer postal notification). Invoices will be sent out with acceptances in early January 2012. Payments will be due 30 days after invoice date. You will be notified if your application has been unsuccessful or you have been added to the reserve list this year.

Please tick here if you could offer cashback with card payments (this information may be used in visitor information)

I have read and agree to abide by the Woolfest 2012 stallholder rules:

Signed: Date:

Name (printed):

Any questions on stallholder or demo-stall bookings? **Contact Hazel at: hazel@woolfest.co.uk or Tel: 016973 44905**
