

Opportunities to meet new people and find out about their skills and ideas are often the highlight of a visit to Woolfest.

Many stallholders will be sharing their experience informally throughout the event but a few, listed below, are also running specific demonstrations at particular times.

Thank you to everyone who has offered to run demonstrations and we hope that you enjoy them and find them useful.

The timetable below is the same for BOTH Friday and Saturday and we hope that you find it useful in planning your visit.
